DIRECTOR'S MESSAGE

Presenting the YPS Year Book , 'The Yadavindrian ' and the Creative Journal , 'Athena' for the year 2018-19, is, as always, an absolute joy.

I compliment the School Editorial Board for having toiled tirelessly to collect, select and edit the articles and reports. The books are significant in that while the Year Book keeps us updated on the events taking place in the school, besides preserving them for posterity, the creative journal is a vibrant platform on which our students can showcase their finesse in writing , composing , drawing and painting.

Besides the ambitious Platinum Anniversary celebrations ,the year was marked by our students performing well in all spheres . The school continued its uninterrupted rise in the field of academics. The increase in participation ,and the consequent achievements, in sports and extra –curricular activities is perceptible. Another accomplishment this year was that our teams of boys and girls completed three marathon cycle rallies to different parts of Northern India.

We hope to take this success story further in the ensuing year.

The 69TH

ANNUAL ACADEMIC DAY CELEBRATIONS

The 69th Annual Academic Day was celebrated on August 10. The Chief Guest was Professor (Dr) B.S.Ghuman, Vice Chancellor, Punjabi University, Patiala..

The ceremony formally began with the Lighting of the Lamp

The occasion was, besides a number of dignitaries, graced by esteemed board members, DGP Amarjot Singh Gill, IPS (retd) and Lt Gen TS Shergill, PVSM (retd)

The audience of staff, parents and OYs .

THE DIRECTOR'S ADDRESS (EXCERPTS)

This year, ladies and gentlemen, is indeed special for us as we complete seventy years of a momentous journey and celebrate our platinum jubilee. It is, heartening to note that, the successive generations, have lived up to the high ideals of our Founder and maintained the high standards of excellence desired and expected by him. YPS today, is counted among the leading and prestigious public schools of the country. It is only last year that we were selected amongst the Top 50 Schools of India Shaping Success by Forbes Magazine...

My association with the school of the last two and a half years has, to say the least, been fruitful and engaging, and on a lighter note stressful. The programmes we set out with, the revisions we made in our policies, our working schedule and curriculum, and the reforms we introduced in our ways and methods of teaching have all begun to bear fruit and yield positive results.

The number of working days and the working hours now stand enhanced to 225 and 1100 hrs respectively, in one academic year...The school, from this academic session, follows the revised curriculum prescribed by the council from K to 12 and with the installation of the smart boards in all classes last year we have been able to make our classroom teaching more effective...

As already highlighted in the school annual reports, we have recorded a marked improvement in our board results. A majority of our students have scored above 80 % with 22% of the students scoring above 90% in both the ISC and ICSE examinations. The admissions of our Class 12 pass outs in colleges has been gratifying...

In games and sports and extra-curricular activities, the participation has considerably improved...

I can assure you that we shall continue in our endeavour. This success proves that the school is treading in the right direction, to impart the right education and the right values to its students and make them shine in this competitive world.

One of the biggest challenges we face is of accommodating this wide array of activities and pursuits in the mandated, stipulated working hours we have at our disposal. But then with a morewise and pragmatic time management, effective planning and a more balanced, even and equal break-up of yearly activities in the school calendar, we have been able to meet this challenge.

I must share that there has been an improvement in the aspects of slackening moral values amongst our children today, occasional disregard of school rules, general apathy shown towards decorum and discipline, declining standards of spoken English speaking habit and the undue and unregulated use of the new age gadgets. Our teachers remain committed in making perfect students. However, we do need the support of you, the parents...

It gladdens me to inform you that on the aspect of providing enhanced facilities to our children, we have, and are in the process of providing state –of-the- art air-conditioned Squash Courts, Shooting range, 50m Swimming pool and 1000 seater auditorium. All projects are in schedule.

.My special thanks to the alumni and parents whose presence in the school is always a reason of delight for us. Their suggestions to improve the school are taken cognizance of and implemented.

Finally, I reserve my deepest and sincerest words of gratitude for the honourable members of our School Board of Governors who have always been a source of inspiration and pillars of strength. It is largely through their guidance and support that the school has grown, prospered and flourished over the years and continues to do so under their aegis.

THE SENIOR SCHOOL ANNUAL REPORT (EXCERPTS)

In ISC, this year, 99 students appeared and all 99 secured more than 60 % marks. 20 students were placed in grade I, which is more than 90%and 43 students scored more than 80% marks. Amanveer Kaur of Science stream stood first with 95.50% marks.

In ICSE, 126 students appeared and 122 secured the first division. 6 candidates secured more than 95%, 15 between 90 and 95% marks and 49 students scored more than 80% marks.

Sehajnoor Singh stood first in ICSE with 95.80 % marks.

In games and sports, this year, 5 students from the school represented their country in prestigious international tournaments and earned medals.

Chhavi Kohli won a gold medal for a second consecutive year in the Minime Thailand fencing Federation series, a bronze medal in the Asian cadet Open Fencing Championship held in Taiwan and played the quarter-finals in the FIE World Cup held in Bahrain. Chhavi presently holds the 6th All Asia rank in the game of fencing .

Rajkanwar Singh, an international level shooter, won a bronze medal in the Junior World Cup held in Australia, 2 gold, 4 silver and 3 bronze medals in the 51st National Shooting Championship.

Khushbeen Waraich won a silver medal in triple jump in the Junior Asian Athletics Championship and won a gold medal each in triple jump and long jump and set new meet records in the IPSC Athletic Tournament.

Kunwardeep Singh won a gold medal in the Open Indo Nepal international Taekwondo championship and Tejveer Sood represented India as GOALIE in the World Junior Inline Hockey Championship .

This year a total of 40 students played on the national level in the SGFI and Open national games and several of them won medals. Gurnoor Beniwal and Jungsher Singh won a bronze medal each in shooting, Shahrayar Khan won a bronze medal in boxing, Gurshaan Singh and Jobaninder Singh a bronze medal each in archery, Gauri Garg and Jasnaaz Sidhu a silver each in shooting, and Rajbir Juneja won 2 bronze medals, Geetansh Gupta one bronze medal and Dev Malhotra a silver and a bronze medal in fencing ...

The 27th edition of the Frank Von Goldstein Debate was hosted in which the school team comprising Khushalam Singh, Kirat Kaur and Sehajnoor Singh were the winners. The same team won the English debate at the JK Kate Knowledge Conclave...

This year a large number of students participated in MUN conferences all over the country and fetched positions and 50 students took part in 6 Round Square conferences at different venues across the country .

The annual school play, 'the Sound of Music', adapted from the Oscar –winning movie of the same name, was a resounding success ...

This year 22 students from YPS completed the silver level and 34 students the bronze level of the IAYP programme...

45 students attended 2 NCC Camps where the cadets won positions in events such as firing competitions, quizzes and declamations .

For the first time in the YPS history, a marathon cycle rally was conducted as a part of the School's Platinum jubilee celebrations ...

Paulo Maresca and Maddalena Bienati from Italy completed a one year exchange programme at YPS...A reciprocal class exchange was carried out with Lycee Clos Maire (leeclo mare) school, France, with their team visiting us in March and a YPS delegation visiting France in the month of May...

THE JUNIOR SCHOOL

ANNUAL REPORT (EXCERPTS)

The academic year 2017-18 has been a success story for us in terms of academic achievement, as out of a total of 614 students, 355 walked away with the platinum category.

Activities like reading, recitation, just -a- min, spell bee, creative writing and handwriting kept us on our toes and on an average 16 to 24 of us, after due selection per class, got a chance to participate.

Our hearts swelled with pride when some of us bagged the top most ranks in the zone in the Unified International English Olympiad, the Science Talent Search Examination and the Unified Cyber Olympiad on the national level.

'Fledglings'- our annual journal is a mirror reflection of our thoughts and creativity in the form of short stories, composition, poetry and drawing made by us.

Programmes like the Mindspark and the Mathematics and G.K Quizzes continue to act like a catalyst to sharpen our logical reasoning.

As said by Alfred Mercier, " what we learn with pleasure we never forget. "The year 2017-18 was packed with celebration of various religious and cultural festivals, where we showcased our talent in singing and dancing.

The mega event of our Junior School was our Annual Entertainment Concert which was a grand success as 90% of us set the stage on fire!...

We stayed busy throughout the year with competitions like chart making, art and craft and hobbies such as nature club and flower making to name a few! Model-making dough-modelling, pottery and decoupage were also introduced this year.

Our young 'yogis' from class- I added a new flavour to the yoga presentation on the Annual Sports Day. Mankirat Singh of Class I was our youngest horse rider in the School Riding Team among the many other riders from the Junior Wing.

Sports is another important and compulsory feature of our school. Swimming, basketball, horse riding, cricket, soccer, wallclimbing, badminton, table tennis, athletics, boxing, taekwondo and gymnastics are the different sports we play and, four out of us have already reached the state level in various games.

Cricket and Soccer, being the most popular amongst us, attracted around 56 students and 87 students respectively. Our passion for athletics is also great as 132 of us took part in the Inter-house athletics. Another sports which most of us have a penchant for, is swimming and that was reflected in our Inter- house swimming competition which had 120 of us participating.

Horse riding, which is compulsory for class IV has around 126 students practicing on a regular basis. Wall climbing and gymnastics also have 21 students and 29 students respectively practicing .

A special mention of the cross country that was held this year where 311 of us took active part .

We stood tall as Aamer Ajit S Kohli, class IV, bagged a gold in taekwondo in the Sub Junior National level and Jansher Grewal, Class II, reached the Sub Junior national level in squash. Dev Malhotra, Class V also reached the national level in fencing whereas Gunraj, Class V, bagged a gold medal in the open nationals in horse riding....

CELEBRATIONS IN THE JUNIOR SCHOOL

Celebrations of festivals is a beautiful way of building up our children's learning of our customs and traditions.

Moreover, it teaches them brotherhood and is institutional in developing respect and love for all religions.

Last, but not the least, they add a flavour of happiness to our normal mundane routines.

The festival of sharing and giving, Christmas and a festival of National pride, Republic Day were celebrated with great fervour and enthusiasm.

**PARENT - TEACHER PARLEY -
DIRECTOR'S ADDRESS**

OLD YADAVINDRIANS' VISITS

The school has initiated a new series of short, friendly sessions between OYs and the present students from this year onwards. These parleys generate a lot of interest and open new horizons for our young minds.

1. Simrita Dhir, former Head Girl and OY of ISC batch 1992, interacted with students of the Senior wing and shared her nostalgia on being back in school. She motivated them to read extensively and take up writing as a profession. She also read out excerpts from her debut novel, 'The Rainbow Acres'. She is presently residing in California, USA.
2. Come February, and we had another former Head Girl and OY of ISC batch 2005, Hardeep Duggal, visiting us. She is a special correspondent with 'Times Now'. Hardeep in her usual bubbly manner addressed the students and shared anecdotes from her life as a journalist. The students asked her a lot of questions on how to take up journalism as a career.
3. Ms. Zeeny Jhelumi of the ISC : 1996 batch visited the school to conduct student workshops on Art Appreciation and Public Speaking. She addressed the staff and students in the school assembly, reliving the memory of her school days and speaking on other relevant subjects.

We are looking forward to more of such visits in the near future.
