---

### **Two Bid System (Technical Bid & Commercial Bid)**

The quotation shall be submitted under a **Two Bid System** consisting of:

#### **1. Technical Bid**

The technical bid should contain complete technical details of the expedition services including:

- Company profile and experience in conducting school/student expeditions
- Details of qualified mountaineering guides and instructors
- Safety protocol and risk management plan
- Medical support and evacuation plan
- Details of accommodation and transport arrangements
- List of equipment to be provided
- Insurance coverage details
- Copies of relevant registrations and certifications
- Past experience with reputed schools/organizations

#### **Note:**

The technical bid should **not contain any financial details**. If financial details are found in the technical bid, the quotation may be rejected.

#### **2. Commercial Bid**

The commercial bid should include:

- Cost per student (all inclusive)
- GST and applicable taxes
- Cost for teacher escorts (if any)
- Detailed cost breakup
- Any optional cost components

#### **Bid Submission Procedure**

- Technical Bid and Commercial Bid must be submitted in **separate sealed envelopes**.

- Both envelopes should be clearly superscribed as **“Technical Bid – Shinkula Pass Expedition 2026”** and **“Commercial Bid – Shinkula Pass Expedition 2026”**.
- Both envelopes should be placed inside one master sealed envelope superscribed **“Quotation for Shinkula Pass Expedition 2026”**.

#### **Bid Evaluation Process**

- First, Technical Bids will be opened and evaluated.
- Only technically qualified vendors will be considered for opening of Commercial Bids.
- Commercial bids of technically disqualified vendors will not be opened.
